

To enable the entirely unexperienced to select an outfit complete for work, we have issued this special "Outfit List" for all description of the merits of each article named, their capabilities; and for separate parts, we would refer you to our Illustrated Catalogue, sent on receipt of stamp. Where a better lens is desired, deduct from outfit, price of T. B. T. Co.'s lens and add price of one selected, to be found on "Special Lens List."
